

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF TEXAS
FORT WORTH DIVISION

JENNIFER VANDERSTOK, *et al.*,

Plaintiffs,

v.

MERRICK GARLAND, in his official
capacity as Attorney General of the United
States, *et al.*,

Defendants.

Case No. 4:22-cv-00691-O

**SUPPLEMENT TO DEFENDANTS' MOTION FOR CLARIFICATION OF THE
SCOPE OF THE COURT'S PRELIMINARY INJUNCTION WITH RESPECT TO
TACTICAL MACHINING'S PENDING CLASSIFICATION REQUEST**

In this Supplement to Defendants' Motion for Clarification filed on September 15, 2022, ECF No. 71, Defendants hereby advise that ATF will be able to complete its classification of the sample that Tactical Machining, LLC, has submitted to ATF **within two business days** of receiving clarification from the Court that the Preliminary Injunction does not prohibit ATF from proceeding with the classification. ATF's ability to complete this classification quickly, and the potential for the classification to affect the scope and nature of this case, underscore that this Court should wait to rule on Plaintiffs' Motion to Expand the Preliminary Injunction until after the Court clarifies that the Preliminary Injunction does not prohibit ATF from completing its classification and ATF completes its classification.

DATED: September 16, 2022

Respectfully submitted,

BRIAN M. BOYNTON
Principal Deputy Assistant Attorney General

ALEXANDER K. HAAS
Director, Federal Programs Branch

LESLEY FARBY
Assistant Director, Federal Programs Branch
